» Bank holiday fun

Surrey County Show – on May 25th (our second bank holiday Monday of the month!) – is a family day out you won't want to miss

Bringing the best of the countryside to the heart of the town – in Stoke Park, Guildford – the show combines top-class entertainment, award-winning livestock and horses, local foods and crafts, floristry, countryside and farming. The Stampede Stunt Company present the spectacular Magna Carta – expect stunts, thrills and trial by combat!

TV star Katy Cropper will perform – both in the grand arena and countryside rings – with her amazing sheepdogs. Katy was winner of *One Man And His Dog* and travels the world giving demonstrations.

Liane Jarman said: "The show is hugely popular as a great day out for the whole family, with the opportunity to see first-hand the many aspects of country life and farming. Other highlights include the usual Grand Prix show jumping and fast and furious scurry driving with a hot air balloon finale.

"Bocketts Farm will be at the show for the first time, bringing a menagerie of animals with them to create a petting farm.

"The Food Theatre is back and Dan Britten, of Britten's Restaurant in Guildford, will be the event's celebrity chef. "John Negus will return with Gardener's Question Time and there will be cheese-making and brewery sampling."

For children there will be donkey rides, Punch & Judy and the usual funfair and visitors will find hundreds of cattle, pigs, sheep, goats and horses. There will be falconry, fishing, hounds and gun dogs, a bee and honey tent, floristry and poultry competitions, a farmers' market and food hall, lots of shopping and live music.
