# Club together!

Wallingford Rugby Club invites you all to celebrate the Rugby World Cup in style!

Wallingford is a well-established and respected rugby club in south Oxfordshire, offering opportunities both for playing and keeping fit. Its array of squads spread from the mini and juniors sections for both boys and girls ranging from six to 15 years old and the senior section which boasts one of the leading Colts section (senior development squad) in the county, playing competitively across four counties, for 17 to 19-year-old boys.

The senior section has two teams with the firsts being in the Southern Counties North league and our seconds being in the Berks/Bucks & Oxon 3 league two squads playing every weekend of the season and a touch rugby team which is for those that want to keep fit but don't want the full physicality of senior rugby.

Gina Overton of the club said: "We are delighted to have many families and supporters as part of the club and this is why we pride ourselves on being a very friendly, family-orientated club with a great social spirit and deep-rooted belief that we can all enjoy the game of rugby players or supporters alike. Whether you love the game, want to find

out more, or just like watching England or your favourite team, we have something for you."

Wallingford Rugby Club will hold a schools rugby tournaments on 17th September and a girls' rugby experience day on the 18th from 10am-3pm at the club. If these events are of interest, please get in touch via [www.wallingfordrugbyclub.com](http://www.wallingfordrugbyclub.com)
